DETAILED ACTION

Allowable Subject Matter

1. Claims 3 and 4 are allowed.
2. The following is an examiner's statement of reasons for allowance:

With regard to claim 3, the prior art fails to teach or fairly suggest an x-ray CT scanner comprising at least one unit mounting member, the unit mounting member including an accommodation portion and a mounting portion erected around the accommodation portion, wherein the accommodation portion of the unit mounting member is formed by recessing or cutting away a part of the rotary member, and the mounting portion is integrally erected from the rotary member substantially perpendicular to a unit mounting surface of the rotary member on an outer circumferential side of the accommodation portion as claimed.

With regard to claim 4, the prior art fails to teach or fairly suggest an x-ray CT scanner comprising at least one unit mounting member, the unit mounting member including an accommodation portion and a mounting portion erected around the accommodation portion, wherein the mounting portion of the unit mounting member is divided into a long side portion and a short side portion, the accommodation portion is formed by recessing or cutting away a part of the rotary member, and at a location near the accommodation portion the short side portion of the mounting portion is bent substantially perpendicular to a unit mounting surface of the rotary member and the long side portion of the mounting portion is secured to an outer circumferential side end of the short side portion of the mounting portion as claimed.

Art Unit: 2882

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
